11. HELP WITH WATER AND SEWERAGE CHARGES

THIS SECTION MUST BE COMPLETED IF YOU ARE APPLYING FOR HELP TOWARDS WATER AND SEWERAGE CHARGES. YOUR APPLICATION WILL BE DECLINED IF NO INFORMATION IS PROVIDED IN THIS SECTION.

Please give as much information as possible about your circumstances. Tell us why you have been unable to pay, add dates where possible and details of any particular hardship/illness or disability that affects you and your family and has led to your difficulties. We will not be able to consider your application if insufficient information is provided.

(Continued from section 11)

12. IF YOU ARE APPLYING FOR HELP WITH OTHER HOUSEHOLD BILLS OR AN ESSENTIAL HOUSEHOLD ITEM, PLEASE TELL US WHAT YOU NEED AND WHY YOU NEED HELP.

For extremely vulnerable customers the Trust has a Further Assistance Grant scheme available. Funds are very limited and so the assessment criteria is very stringent. If you are applying for help with an essential household item such as a cooker, fridge, washing machine or a bed, please explain in as much detail why it is needed and how you are coping without it (the Trust will only be able to consider helping you with one item). Applications for court fines, catalogue debts, benefit/tax credit overpayments, credit card debt, personal loans, and other forms of borrowing or cash grants will be declined.

Please note: if the Trust agrees to purchase a household item for you, you will not be able to choose the make and type. The Trustees will choose it from a range available to the Trust.

13. BIG DIFFERENCE SCHEME

The Trust can consider you for the **Big Difference Scheme**. If eligible, you could receive a reduction of up to 90% off the average Severn Trent water bill. Please tick this box if you want the Trust to consider you for the scheme.

The Big Difference Scheme is a non-standard arrangement to pay to help those who need assistance with their water charges. If accepted onto the scheme, this information will be shared and could have an influence on the applicant's credit status. If the applicant pays their water bill on time, sharing their data could positively affect their credit rating.

14. DECLARATION

I declare that the information I have given in this form is complete and correct to the best of my knowledge.

I authorise the Trust or their representatives to: (a) contact the supplier of my water/waste service and any referral agency, other organisation or relevant person for clarification and/or confirmation of amounts owing or other information which the Trustees consider relevant to my application, (b) consider alternative support schemes and/or provide relevant information to the water/sewerage company to enable future budgeting of water charges, Severn Trent Water share information with credit reference agencies. The Big Difference Scheme is non-standard arrangement to pay, to help those who need assistance with their water charges. If you are accepted onto this scheme, this information will be shared and could have an influence on your credit status, and (c) provide relevant information to my energy supplier/relevant Trust Fund for the purpose of seeking additional grant aid.
